

WELCOME TO THE MARCH 2024 COMPASS CORRESPONDENCE

February was insanely busy! Here's the stats: Kyle turned twenty-two, we launched a Kickstarter campaign to fund the new album and met our goal in two and a half weeks (thanks to you!), we recorded a whole new album in three days, we jammed in the van (and in the tram), AND we successfully played the biggest venue we've ever headlined by ourselves!

MARCH is no less crazy! We're touring not once, but twice this month. March 13-17 we'll be in Oregon and March 26-30 we'll be in Colorado supporting our good friends Hot Buttered Rum.

We headlined one of our bucket list venues on 02.24.24 and we're so grateful for all of you who showed up for us! The Crown Room at Crystal Bay Club was full of good vibes and high spirits that night-- thank you!

And congratulations to Fred & Thelma on winning the WWG passes!

We also filmed some fun videos in the Tahoe area that weekend, including both a "Jam in the Van" and "Jam in the Tram"! Click below to watch our Jam in the Van (Tram is coming soon...)

STUDIO ALBUM #2

"THROUGH THESE TREES" is fully funded! Yup, that's the title of our second studio album and you all are the first to know! Projected release date at the end of April!

We had a blast recording this album at [Ancient Waves Studios](#) in Nevada City. Big thanks to Ramona for hosting us and to Jaya for engineering our album. Any fellow musicians out there should look into this studio, it's a top-notch quality, cozy/relaxing environment. For those of you who contributed to our Kickstarter campaign, be on the lookout for an email survey to collect your shipping address and tshirt size (if applicable) so that we can send your rewards to you :)

YOU'RE INVITED

Our first run through Oregon starts March 13th! We're hitting Talent, Portland, McMinnville, Forest Grove, and Troutdale. If you can't join us in person, make sure to let any family/friends know who might be in the area! We're excited to be collaborating with Sproose for the 3/14 show, Cedar Teeth on 3/16, and Band of Comerados on 3/17. Grab your tickets now-- it helps us more than you know :)

A promotional poster for 'Broken Compass Bluegrass'. The top half features a black and white photograph of four musicians: a woman on the left, a woman in the center, a man playing a double bass on the right, and another man on the far right. The text 'BROKEN COMPASS BLUEGRASS' is overlaid on the image in a stylized, geometric font. The words 'WINTER' and 'OREGON' are written vertically on the left and right sides of the poster, respectively. Below the main title, a list of tour dates is provided:

March 13.....	Talent Club - Talent
March 14.....	White Eagle - Portland
March 15.....	Hotel Oregon - McMinnville
March 16.....	Grand Lodge - Forest Grove
March 17.....	Edgefield - Troutdale

COLORADO here we come!! We've had plenty of requests to make it out to this part of the country and we're so happy to finally be making it a reality. We'll be supporting our good friends [Hot Buttered Rum](#) on this run. It's extra special because this is their 25th string band anniversary, so for these shows, Kyle and Mei Lin will be joining them on mandolin and fiddle for some fun acoustic string band sets!

We're headed straight into one of our favorite festivals EVER right after we get back from Colorado: [WinterWonderGrass](#)! We're so honored to get to share the lineup with some of the best touring acts on the scene right now. We play on Friday and Saturday, but we'll be hanging around on Sunday too! Make sure to come say hey. PLUS Mei Lin's good friend Nikolai Margulis is flying out from New Jersey to play banjo with us for the Saturday sets! Bring your fun fuzzy festival clothes!
