

***WELCOME TO THE APRIL 2023 COMPASS CORRESPONDENCE***

April has been full of new experiences and exciting opportunities for us. Since the March newsletter, our debut album "Fool's Gold" has been released! We feel very lucky to get to make music for so many wonderful people. Lots of love to all of you who have already picked up a copy of the album. And... WE'RE PRESSING VINYL! Keep an eye out 🙄

We have had some fun times outside of band performances too! Kyle had an epic two weeks filled with Phish shows, Skull & Roses (a 5-day festival in Ventura), and Goose shows. Sam has been busy getting the album tracks vinyl-ready and also went to the Goose shows, Django and Mei Lin went to see the Peter Rowan Band, and Mei Lin saw Dawes and sat in with the Whiskey Family Band at Hopmonk Taverns in Sebastopol. You probably won't ever catch us not thinking about music!

You've already seen our live-in-the-studio version of the title track "Fool's Gold," but we have since released a video of "Walk Beside Me," the last track on the album. We decided to pull out the 4-part harmonies for this rendition. Songwriters Tim O'Brien and Darrell Scott are both exceptional musical artists who we have looked up to for a long time.

## WINTER FESTIVALS

We had such a wonderful time kicking off the month at Subaru WinterFest at Sierra-at-Tahoe and WinterWonderGrass at Palisades. We've been up in the Tahoe area quite a bit in the last couple months and feel super grateful to get to spend time in such a beautiful location.

# ALL ABOARDDDDD

If you're familiar with bluegrass, you're familiar with Del McCoury. We've grown up listening to the Del McCoury band, so we thought we'd try out one of our favorite Del songs. This one's called All Aboard 🚂
