

BROKEN COMPASS BLUEGRASS

HEY BROKEN COMPASS FRIENDS!

Welcome to the *Compass Correspondence* and thanks for the support! We're excited to have another outlet to share the latest news with you all.

DEBUT ALBUM "FOOL'S GOLD" AVAILABLE FOR PRE-ORDER

Have you heard? Our debut album *Fool's Gold* is expected to release **March 31st** and is now available for pre-order! Pre-sales will help us poor college students (haha) offset the initial cost of printing/distribution. All pre-sales will be sent out on release day, so you'll get your copy before anyone else! The album is ten tracks that we have all put a lot of time and soul into: three originals each from Kyle, Django, and Mei Lin and one cover song. We're proud of this project and we really can't wait for you to hear it!

GUESS WHO?!

We have the absolute honor of having two very special guests on the upcoming album and we want to let you in on the secret even before it's released... can you guess who this first artist is just by their silhouette?

Need a hint? We are sure you'll know who it is once you read the hint below the picture.

Still stumped? We didn't think so. But in the slight chance that you don't know who this is by now, click on their picture to learn more about them!

Warning! this is a hint! this person played on Billy String's first three albums
