

**Welcome to the February 2023 *Compass Correspondence!***

We've had lots of fun this past month celebrating Kyle's 21st birthday, shooting some exciting new video content, & getting ready for the release of our debut album [\*Fool's Gold\*](#) which will be out next month!

Check out our brand new video of *Appear*, one of Kyle's originals from his latest solo album *Left It All Behind*. We had a little extra time on Kyle's birthday before the show so we decided to film this upstairs at the Crazy Horse in Nevada City. Thanks to Aidan Steckley (drummer, Cosmic Frog) for working the camera. Mixed by our awesome bass player, Sam.

Thank you so much to Kim Rogers for having us on her show "Good Stuff" live on KVMR. If you missed it, it's still available on [KVMR archive](#), but only for a few more days.

### KYLE PALOOZA RECAP

We want to thank Tyler Blue endlessly for making KylePalooza happen. It's been in the works for a long time and we couldn't be more grateful for his support and kindness. Thanks to the Crazy Horse for having us again, Joseph Carney for capturing some great video footage (and photos, for that matter!), John Taber for also taking some fantastic shots, Buzz at KVMR for broadcasting night 1 (Cosmic Frog) live on the air, and all of YOU who came out to party with us! Check out this beautiful poem Tyler wrote and performed for Kyle's birthday--click the photo below to watch!
