

BROKEN COMPASS BLUEGRASS

WELCOME TO THE FEBRUARY 2025 COMPASS CORRESPONDENCE

Phewee... writing this email whilst sitting on the bed in an Airbnb in Salt Lake City on our way home from our Colorado Tour (part 1?) after a longggg, windy, rainy, scary drive... We're tired, but super grateful for a

great run of shows/wonderful audience reception and are already jumping at the idea of getting back to Colorado... stay tuned ;)

One of the highlights of our tour was getting to collaborate with the impeccable Tim Carbone of Railroad Earth! Check out this fiddle duel on "Walkin' Boss" live from the main stage at UllrGrass on 02.02.25.

WATCH NOW

We had two days off between shows and got to visit our top bucket-list venue: Red Rocks Amphitheater! Someday!

We happened to be touring Colorado at the same time as our fellow California friends [Boot Juice!](#) So of course we had to meet up with them. There was ping pong to be played and tour stories to be shared!

We also got to jam with our good friends [The Cody Sisters Band](#) (Megan, Maddie, and Will). They are Colorado locals and absolutely amazing musicians. Make sure to check out their trio if you don't know of them already.

UPCOMING EXCITEMENT

Our favorite midnight snacker, sleeper-inner, and mando-master is turning 23 already?! Whattt?! You heard that right... join us at one of our fav local hubs Crazy Horse Saloon to celebrate Kyle's birthday with us!

We're counting on all our Tahoe friends to pack this place. It really helps us out when you snag your tickets in advance as opposed to the door! Link below (18+)

CYPRESS RENO TIX
