

BROKEN COMPASS BLUEGRASS

WELCOME TO THE APRIL 2024 COMPASS CORRESPONDENCE

In the past month we...

toured Oregon

toured Colorado with Hot Buttered Rum

drove 75+ hours

loaded/unloaded wayyyy too much gear

crammed ourselves into many a hotel elevator

slept on too many floors

ate too much Taco Bell

and had the time of our lives

Thank you for making this past month such a wonderful experience. So much appreciation for everyone who came to our shows, spread the word, brought home our merch, and hyped us up! We got to see some absolutely stunning places (Telluride takes the cake), play some super fun venues, and meet some incredible people.

For the folks asking if we recorded any of these shows, the answer is yes! You might even hear some of them on our next live album

UP NEXT...

We start April off with a bang! Come see us play FIVE SETS at one of our dream festivals: [WinterWonderGrass](#)! We're attaching the daily schedules below, so you can make your plans. On Friday we'll be playing lots of fresh material off the upcoming album (to be released early May!). On Saturday, special guest Nikolai Margulis will be joining us on banjo! Not only will we be playing two tent sets on Saturday, but we're also opening for our heroes [The Infamous Stringdusters](#) at Grass After Dark! Make sure to snag your late night tickets right now, this will sell out.

BUT IT DOESN'T STOP THERE!

Right after our WinterWonderGrass marathon, we'll be hopping on the train on April 12th with our friends [Late for the Train](#) in Chico, CA at [Lost on Main](#)! This will be our first time playing this venue and also our first time collaborating with LFTT, you're not gonna want to miss it! Who knows, there might be a major mashup jam with both bands at the end :)

TICKETS

The next day, April 13th, we'll be heading to the Winters Opera House! Come join us for an evening of dancing and high energy. This venue is a beautiful historic building (some may know it as the Palms Playhouse) and is a great space for live acoustic music and a listening audience. Don't miss out on tickets!

At the end of the month, we will be making our debut at the legendary [Freight & Salvage](#) in Berkeley! So many of our heroes have played this stage before us. We are stoked to be on the lineup for the annual [Berkeley Bluegrass Festival](#) alongside Appalachian Roadshow, Never Come Down, and Fog Holler. We play on Friday night (4/26), but you can also buy a three day pass and enjoy the entire weekend of festivities!

FESTIVAL PASSES

We're closing out April with one of our most exciting shows to date... opening for [The Brothers Comatose](#) at [Moe's Alley](#) in Santa Cruz!! We've admired these guys for a long time and cannot wait to get the chance to collaborate with them at such a top-notch venue. Tickets WILL SELL OUT for this show, so don't sleep on this.
