

BROKEN COMPASS BLUEGRASS

WELCOME TO THE MAY 2025 COMPASS CORRESPONDENCE

Buckle up! We've got a stacked summer coming atcha! But first... let's have a moment of silence for this gem of a photo haha

We warmed up the stage for our good friends The Brothers Comatose two nights in a row last weekend in Paso Robles and Sebastopol. Much love to BroCo (we have the same initials! Brothers Comatose? Broken Compass?) for inviting us to join their weekend run and for having us sit in. Big thanks to Good Medicine Presents and KC Turner Productions for hosting us.

KYLE JOINS THE PRESTON THOMPSON GUITAR FAMILY

Yup, you heard that right. One of our mando/guit slangers is officially a [Preston Thompson Guitar](#) artist! If you don't know... Thompson Guitars is one of the absolute most respected companies out there and currently make axes for some of our biggest inspirations including Billy Strings, Molly Tuttle, and Peter Rowan, just to name a few. This is an incredible honor to be representing them and getting to play such a high-caliber instrument!

Festival season is just about our favorite thing in the world. We live for the sunshine, community, jams, food trucks, late night dance parties, and collaborations with other bands. We're sToKed to kick things off with Golden Road Gathering this month the 16-18th. If you're a fan of Leftover Salmon, ALO, Thievery Corporation, you can't miss this! We'll have some special guests sittin in with us too ;)

**GOLDEN ROAD
PASSES**

We'll keep things rolling next month when we join this killer lineup in Rohnert Park for the [Sonoma Wild Music Festival](#)! We're especially excited to see our friends Painted Mandolin (did you know Django studied with Joe Craven for years?).
